

a gift for the new
mama to sit and enjoy,
for we are all happy
for you and your bundle
of joy!

first on the list
is this hot cup of tea,
savor the flavors,
you will see.

now for some energy as
you will need,
these peanut butter
balls to the stomach
will feed.

beautification is next
on the list,
as i thought it would be
a nice twist!

*your new uniform for
the next couple of days,
should be cozy, as you
will be in such haze.*

xoxo,
